Subject: NPDES permit for American Energy Corporation - Bennoc Refuse Area... part 1/15
[bennoc transmittal 100113 signed.pdf](#)

Well, my attempts to send this in an orderly fashion have been foiled by US EPA's limit on attachment size! At this point, it's difficult for me to tell what has made it through and what hasn't. I'm going to further break down the attachments and cross my fingers... my apologies for cluttering your respective inboxes.

Mr. Pierard,

Attached are the documents pertaining to Ohio EPA's submission of a draft NPDES permit for the American Energy Corporation's Century Mine Bennoc Refuse Disposal Area. A hardcopy will be sent in today's mail. Let us know of any questions or comments.

Sincerely,

Dan Gill, M.S., P.E.
